

Dr. Stich was born and raised in southern California. He attended Loyola Marymount University where he graduated summa cum laude with a Bachelor of Science degree in Biology. From there he entered UCLA School of Dentistry to begin his dental training.

After graduating in 1988, Dr. Stich spent a year pursuing a General Practice Residency at the Long Beach VAMC. He then practiced general dentistry for five years before entering the post-graduate training program for Endodontics at Loma Linda University.

Dr. Stich received his graduate Endodontic Certificate in June of 1996 as well as a Master of Science degree. He began practicing Endodontics in Century City and Long Beach but then relocated to northern California.

Dr. Stich has been practicing at his Fairfield office since June of 2000. After further study, Dr. Stich earned his Endodontics Board Certification in November of 2003.
